This fourth index of *Momentum*, quarterly journal of the National Catholic Educational Association, includes all issues of the journal from 1982 through 1984.

It is a cumulative index arranged in alphabetical order according to author, title of article, and subject matter. Each article is cross-indexed under these three categories. The subject matter topics appear in boldface with related articles following in an indented listing, alphabetically arranged by author.

Articles appearing in regular columns of the journal—**Ideas and Issues**, **A New Perspective**, **Justice and Peace Education**, **Readers Talk Back** and **Research**—are listed under these subject headings; they are also cross-indexed by author and title.

Articles classified as **Editorials** are indicated; they are also cross-indexed in the usual way. All **Book Reviews** are listed under the subject heading, alphabetically arranged according to both the title of the book and the author.
